

The OSA invites you to Complete a Questionnaire for a Chance to Win Big Prizes

Dear NTU Students,

Over the past three years, the Student Counseling Center at the Office of Student Affairs (OSA) has conducted an online survey to understand the overall physical and mental well-being of students, including both undergraduate and graduate students. Your participation helps the university better understand student needs and allows us to create services that are more aligned with those needs.

This survey is funded by the university and has been reviewed by the Behavioral and Social Sciences Research Ethics Committee (Approval No. 202106HS019). The survey will take **approximately 30 minutes** to complete. Upon submitting a valid response, you will be eligible to enter a lottery for a chance to win various prizes, including multiple sets of **Apple 3C products (such as iPads and AirPods), bicycles, and gift certificates.**

Participation Details:

- **Undergraduate Students:** Please complete the survey via this link:

<https://eform.cc.ntu.edu.tw/?designer=scc&database=ERPS&solution=SOLUTION1>

- **Graduate Students:** Please complete the survey via this link:

<https://eform.cc.ntu.edu.tw/?designer=scc&database=ERPS&solution=mQuestion>

Important Notes:

1. The survey will close on **October 31st**, so please submit your response as early as possible.
2. Prize winners will be notified via their school email **after mid-November**. Be sure to claim your prize promptly—unclaimed prizes will be awarded to other participants.
3. The questionnaire is quite detailed, so it's recommended to use **a desktop or laptop** for a more comfortable experience. You can also pause and resume later if needed.
4. If you have any questions related to this activity, please feel free to contact Professor Kaiping Yao from the Department of Psychology. Phone: 3366-3098, Email: kaiping@ntu.edu.tw

Thank you for your participation, and we wish you the best of luck!

Want to win big?

NTU Student Physical and Mental Health Survey
